Position Description (Duty Description):

AFNORTH Mission: The 601st Air Operations Center (AOC) Intelligence, Surveillance, and Reconnaissance Division is seeking a qualified 1N071 airman. The 601st Air Operations Center, plans, directs, and assesses air and space operations for the North American Aerospace Defense Command and United States Northern Command. The AOC provides aerospace warning and control for NORAD Defensive Counter Air activities. Additionally, it directs Air Force air and space capabilities in support of NORTHCOM homeland defense, civil support, and security cooperation missions.

“America's AOC” fills the critical need to meet the challenge of directing all air sovereignty activities for the continental US, Puerto Rico, the US Virgin Islands, and their surrounding waters. America's AOC is a high-tech weapons "system of systems," to allow warfighters to continue the air defense mission 24 hours a day, 365 days a year.

Senior Intelligence Duty Officer - Technician, 601st Air Operations Center:

Duties and Qualifications:

Manages, supervises, and performs intelligence activities and functions to include coordinating collection operations in support of CFACC ISR objectives. Provides the Chief of Combat Operations (CCO) and the Combined Forces Air Component Commander (CFACC) situational awareness on enemy threats, tactics, and order of battle changes affecting NORAD and USNORTHCOM AOR through direct coordination with the ACF watch analyst/team and NORAD/USNORTHCOM. Conducts and leads dynamic Command and Control (C2) of ISR platforms and sensors to meet collection requirements and commander's intent. Executes ATO tasking & modifies the ATO and Reconnaissance Surveillance Targeting Acquisition (RSTA) Annex based on real-time changes. Provides recommendations to the CCO, AOC/CC, and CFACC on all ISR issues. Provides actionable intelligence to AOC commander and divisions through correlation of all-source reporting, analysis and dissemination of real-time threat indicators, and creating informational briefs and products to provide briefings to decision makers and coordinating with DOD and other agencies. Incumbent must hold TS/SCI clearance. This position entails shift work (panama schedule).

** All personnel applying for this 1AF (AFNORTH) position must have a current TS security clearance with a SSBI.
